

Justin Ragle, CPhT, CSPT
Specialist Pharmacy Technician
University of Cincinnati Medical Center

My name is Justin Ragle, I am currently a certified pharmacy technician in the investigational pharmacy at the University of Cincinnati Medical Center. I am writing to express my interest in becoming the technician Director Elect nominee. I am seeking nomination in efforts to become more involved in OSHP with the intent of being an advocate for Ohio pharmacy technicians. It is my hope to help expand the scope of technician practice in all pharmacy settings. I believe I hold the proper qualifications to act as a representative and leader for fellow pharmacy technicians. My experience as a technician began nearly 16 years ago as a retail technician, eventually moving on to long term care, hospital inpatient, post-acute care, and finally research pharmacy. At different times in my career I have also served on committees regarding training and pharmacy process improvement. I believe I would be a great fit for the technician Director Elect nominee because I am committed to OSHP's goal of advancing best pharmacy practices across Ohio.
